Telephone: (____) ____ - _____

E-mail: _____

Course: _____

I would like to request an extension of one month from my current completion date:

_____ to _____
(original completion date on your application form) (one month past original course completion date)

To determine the additional fees required, calculate the number of assignments to be completed past your completion date (**include each unit assignment and the exam**). If you are unsure of how many units you have left to complete you may contact your instructor for this information.

I require an extension for _____ assignments and or exam.

_____ x \$50 per assignment = \$_____

I understand that this request for extension must be sent (post marked no later than 10 working days past the course completion date) to Pacific Rim Early Childhood Institute Inc. together with the fee (certified cheque or money order) of \$50 per assignment and exam.
