Pacific Rim processes Appendix 3's within days of receiving the completed loan package. The time frames upon which loans are assessed, approved and received are determined by the Student Loan office. Loans are negotiated directly between the student and the Student Loan office. Students are responsible for ensuring that they are aware of their loan status and for following up on any discrepancies. Pacific Rim will ensure that all institution required actions are carried out promptly. Students should notify the administrator detailing the required institution action if required.
