

Vancouver Island Cooperative Preschool Association

“Play is Children’s Work”

quote from a 4 year old preschooler

The **Vancouver Island Coop Preschool Association** is currently seeking licensed ECEs and ECEAs for **substitute** work for 2017. Vancouver Island Cooperative Preschool Association (VICPA) preschools provide a play-based curriculum that:

- supports the **development of the whole child** - socially, emotionally, physically, and intellectually.
- allows for the recognition of each child’s **unique learning style**, abilities, and developmental level.
- allows for **hands on learning**, where the curriculum can emerge from the children’s interests, needs and desires; making learning concrete and meaningful.

All VICPA preschools are parent-operated on a cooperative basis. The preschools are administered and maintained by the parents on a non-profit, non-sectarian, inter-racial basis. Under the guidance of a qualified Early Childhood Educator (ECE) parents assist in the classroom.
