

Aves Early Education Educator Position

Full-Time Position

www.aveseducation.com

9860 Aquila Road, Richmond, B.C., V7A3R2

Aves has been providing high quality full-day childcare to families in the Richmond community since 2013. Our centre is growing and we will be moving into a beautiful, new purpose built child care facility located in Richmond, B.C., within the next 6-8 months. Join us now for the opportunity to be part of the intentional evolution of our child care program. At Aves, we are committed to making a mindfully positive impact for children and families through the provision of high quality, customized programming that brings together best practices in the field of early childhood education and leading research related to mindfulness and brain development.

Aves Early Education Inc. is currently seeking an Educator to join our family of teachers at either our infant-toddler location or our preschool-aged location.

Our ideal candidate:

- Loves working with infants and toddlers (12 months to 36 months) or preschool-aged children (30 months to 5 years)
- Demonstrates a strong ability to develop meaningful and strong relationships with children and their families
- Demonstrates an ability for effectively implementing the centre's program planning
- Demonstrates an ability to take initiative and make productive use of their time
- Demonstrates an ability to offer children a curriculum based on their interests
- Demonstrates an ability to be creative and innovative in their work with children
- Demonstrates an ability to co-construct knowledge with children
- Demonstrates a constant desire for professional growth and learning in the field of early childhood education
- Has strong organizational skills
- Demonstrates an ability to plan and prepare for annual school events
- Demonstrates an eagerness to collaborate with fellow teachers
- Has excellent written and oral communication skills
- Is able to mindfully listen to others and to be curious and reflective in their work with children
- Understanding of the Montessori Method and Reggio Emilia approach to working with children is an asset

Qualifications:

- Holds a current ECE License to Practice or ECE Assistant License to Practice
- Holds a valid childcare first-aid certificate
- Has a clear criminal record check

Hours of Work:

- 37.5 – 40 hours per week, Mondays to Fridays
- Shifts are typically from 8:45am-5:30pm with a 1 hour unpaid break, however, changes in start and end times of the day may be considered to accommodate needs of teacher

Salary and Benefits:

- \$39 000 - \$52 000 per year depending on experience and qualifications
- Opportunities for salary raises beginning as soon as we move into the new centre
- Paid professional development days for teachers - 3 times per year
- Benefits, annual bonuses, paid sick days, and vacation days offered after 3 months of employment
