

Tumblebums Play Centre and Toy Shop is now accepting resumes for a part-time position beginning in August. Please only apply if you have the following:

- A Ton of Great Energy
- Experience with 2-5 year olds
- A Treasure Chest full of Fun Ideas
- First Aid (or willing to get it)
- Criminal Record Check (or willing to get it)
- Doctor's Note (or willing to get it)
- Over 19 years of Age

If you are the type of person that children look forward to seeing because of your wonderful enthusiasm then we want to see your resume. Ideally you have worked with children at a kid's camp, daycare, preschool or even as a swim instructor. Retail or cash experience is a bonus but not a necessity. We are looking for resumes from both males and females and up to any age. References are required with your resume. Please do not email us a form resume and letter, we are looking for someone that pays attention to detail. In your cover letter please tell us about one of your favorite experiences with children and how you contributed to it.

Hours have yet to be determined, but they will be in the afternoon Monday to Friday and one evening a week. Hours are likely to increase in the Fall. We are willing to work with people that need a flexible schedule.

Please do not phone, but you are welcome to drop off your resume in person.
