

April 10, 2019

An exciting opportunity is available for an Early Childhood Educator Assistant to join this rapidly expanding team at this facility in Steveston Village. In cooperation with the Program Coordinator and other team members, the successful candidate will be responsible for assisting in the delivery and development of the Jr. Kindergarten and/or IT Programs.

Candidates will be required to participate in a practical second interview where incumbent will work with the team and the children for a 4-8 hour paid shift.

No snack prep or cleaning duties are regularly required as we have two full-time School House Mums on our team so teachers are free to focus on the children!!
