A beautiful facility looking for passionate Early Childhood Educators to work with us! Are you a fun, creative and self-motivated individual whose passion lies in working with children and making a positive difference in their early years? Do you believe in supporting the whole child by getting them started early with an educational curriculum infused with free play and exploration? If so, this is the place for you!

Take the initiative in creating a stimulating yet nurturing environment to contribute to the important early years of our little ones. We hope for our facility to become a second home for both our educators and children alike!

We are also proud to say that our breathtaking views of the Vancouver landscape will deliver you a refreshing sense of serenity while on the job! The enriched curriculum features a unique partnership of core subjects, such as reading and math with fine arts including drama and yoga, providing children with the freedom to learn and grow through play. Our program has a reputation of highly developing a child's intellect and delivering the finest start in education, arts and the humanities.
