Are you a fun, enthusiastic, creative, and energetic licenced Infant/Toddler Educator? Are you an experienced professional who is passionate about helping little people grow and learn? If you have a great sense of humour, motivation, creative ideas and patience, we would love to meet you!

We are seeking fantastic individuals to join our stellar team.

In this position you will need to provide positive and nurturing care for the children in your group; provide effective communication with children, parents and fellow staff members; lead daily activities to achieve a balance of structure-free activities that will facilitate emotional, social, physical and intellectual development.

Key Responsibilities:

- Plan and implement developmentally appropriate group and individual activities to facilitate children's emotional, cognitive, social, and physical growth for indoor and outdoor settings.
- Provide supervision and guidance of children's daily activities.
- Create a positive setting for children to learn.
- Maintain accurate records of each child's daily routine, activities, needs and behaviour management.
- Maintain a healthy, neat, clean and functional environment in all activity and program areas.
- Providing unconditional positive attention to each child and respond to his or her individual needs.
- Collaborate effectively and positively with other team members and with parents.
- Be familiar with and follow the daycare's policies as per the parent handbook as well as the VIHA Child Care Licensing Regulations.

Mandatory Qualifications:

- Current BC Early Childhood Educator (ECE) Infant/Toddler Certificate
- Valid Infant CPR and First Aid Certificate
- Up-to-date Record of Immunizations
- Clear Criminal Record Check, including a vulnerable sector search
- Previous experience working with children in a childcare/recreation setting
- Capable of pushing or lifting up to 45 lbs
- Two Professional References
- French or Spanish speaking considered an asset

We Offer:

- A competitive wage package
- We have signed for the ECE Wave Enhancement which will provide an additional \$1.00 starting January and \$2.00 in April.
- Health and dental plan after 3 months
- Staff discount for childcare
- Training opportunities & more

If you want to join a collaborative, supportive environment, come join our team!
