

Dreamcare Childcare Network is looking to hire a full-time soon-to-be ECE, who's already enrolled to continue their studies to obtain the Infant/Toddler credential, to join our Infant/Toddler program at our new centre in Langford, BC.

Key responsibilities

- Collaborate with the program director and peers in crafting a state-of-the-art program tailored to the different developmental stages of the children attending the center
- Establish & maintain good communication and rapport with parents and caregivers, listening to their concerns, and providing them with updates about their child's day either in-person (at pick-up/drop-off) or via our App.
- Help create a safe, nurturing, and fun classroom environment
- Support children in their physical, emotional, and social needs
- Maintain an inclusive and non-judgmental posture at all times, focused on the well-being of the children in care
- Light housekeeping to ensure program facilities and equipment are safe and clean

The ideal candidate will be:

- Proactive, dynamic, and passionate about child development
- Either an ECE or soon-to-be ECE, who's already enrolled to continue their studies to obtain the Infant/Toddler credential
- Comfortable working independently, but also as part of a team

If you feel this position might be a good fit for you, we would love to connect! Please e-mail your cv to info@dreamcare.ca to start the process.

Ideal start date: November 6, 2023

Hours: Monday - Friday, 8am - 5pm

Looking forward to hearing from you!
