

CEFA Kitsilano is a beautiful new facility looking for passionate Early Childhood Educators to work with us! Are you a fun, creative and self-motivated individual whose passion lies in working with children and making a positive difference in their early years? Do you believe in supporting the whole child by getting them started early with an educational curriculum infused with free play and exploration? If so, CEFA Kitsilano is the place for you!

The best part is that our brand new location offers you the opportunity to take the lead - as our first hired educators - in painting a blank canvas colourful for our precious young ones! As the first educators in our centre, you get to make the first marks in planning, organizing and setting up the classroom and environment to your liking! Take the initiative in creating a stimulating yet nurturing environment to contribute to the important early years of our little ones. We hope for our new facility to become a second home for both our new educators and children alike!

We are also proud to say that our breathtaking views of the Vancouver landscape will deliver you a refreshing sense of serenity while on the job!

About CEFA

CEFA Early Learning, established in 1998, is a full day early learning program designed for infants and children up to five years old. The enriched curriculum features a unique partnership of core subjects, such as reading and math with fine arts including drama and yoga, providing children with the freedom to learn and grow through play.

Our program has a reputation of highly developing a child's intellect and delivering the finest start in education, arts and the humanities. The full day early learning and junior kindergarten programs at CEFA are far beyond the typical child care programs found throughout Canada.
