

## Join Nido's Dream Team!

We are a diverse educational community, offering children an exceptional education in a nurturing environment. Guided by both Montessori and Inquiry-based pedagogies, our program is tailored to the individual needs of students with an intentional focus on children's social and emotional development.

Nido is seeking curious, passionate, dedicated educators with a commitment to life-long learning to join our team. Teachers with a genuine warmth and love for guiding children and their families as they embark on their educational journeys are encouraged to share a cover letter and current résumé.
