### Why West Vancouver Schools?

West Vancouver Schools, the premier place for learning, has a long-held reputation for excellence and innovation. Our motto endorses our vision that we aspire to provide the finest educational experience in the country – for our children, our employees, our community and our world. We support this vision in the work we do, and the drive to be the first and best is clear, both inside and outside the organization.

### Summary of Duties:

Reporting to the Principal/ Designate, the Early Childhood Educator, leads the before and after school care program for kindergarten and primary aged students; and works alongside of the classroom teacher during the school day. This position also works collaboratively with the primary teachers to facilitate the seamless day for kindergarten and primary-aged students. The ECE collaborates with the classroom teacher in the design of programs and environments which will enhance children's cognitive, physical, social and emotional development.

***The full job description is available on Inside45 for internal staff. External applicants can request a copy of the job description from the Human Resources Department; email: [hr@wvschools.ca](mailto:hr@wvschools.ca).***
