au travail, à la maison et dans les loisirs

# Navigate to: [www.sja.ca](http://www.sja.ca), click on Log In (top right)

The screenshot shows the top navigation bar of the St. John Ambulance website. On the left, there is a language selector for French (FR) and the St. John Ambulance logo. In the center, there is a location dropdown menu set to British Columbia (BC) and a search bar with the placeholder text "What are you looking for?". On the right, there is a phone number (1-800-989-3787) and a "LOG IN" button next to a shopping cart icon with a red notification bubble containing the number "0". An orange arrow points to the "LOG IN" button.

Below the navigation bar, there is a horizontal menu with the following items: Training, Products, Volunteer, Initiatives, About us, and Donate.

The main content area features three promotional cards:

- First Aid Training:** A card with an image of a person wearing blue gloves on a mannequin. The text reads "FIRST AID TRAINING" and "Standard/Intermediate First Aid" with a "Register →" button.
- Online Courses:** A card with an image of hands typing on a laptop. The text reads "ONLINE COURSES" and "Online Health and Safety" with a "Browse →" button.
- Promotion:** A card with an image of red St. John Ambulance jackets. The text reads "PROMOTION" and "October Sale!" with a "Shop →" button.

## Course Summary

[Show Course Details](#)

Course format: IN-CLASS

This course will be held at your local SJA office.

Course format: BLENDED

This course will be completed half in-person at your local SJA office and half online. The online portion must be completed before the in-person portion.

Designed to comply with the CSA Z1210-17 Standards.

CPR-A: is for individuals requiring comprehensive information on First Aid and CPR for their workplace, school, or personal interest. This type of first aid training is helpful to know in case of medical emergencies where the person who will need medical assistance will most likely be an adult.

CPR-C: is for individuals requiring comprehensive information on First Aid and CPR for their workplace, school, or personal interest. This type of first aid training is helpful to know in case of medical emergencies that involve adults, children, and infants.
